Placement Preferences:

The Maryland Office of the Public Defender (OPD) maintains twelve geographic districts offices and seven Statewide Divisions. Many, but not all of our offices accept volunteer attorneys. Placement preferences will be taken into consideration; however, because placements are made based on OPD's needs at the time of placement, OPD cannot guarantee that placements will be made in accordance with the applicant's preferences. We recognize that many volunteers have geographical limitations: office locations that the candidate is not interested in for personal and/or practical reasons.

If you have geographical limitations, please use this space to clearly outline those limitations:
